# JUNIORS

This year's class of '83 really showed their spirit by working at U of O football and basketball games, putting on bake sales, and bottle drives. Also they organized this year's prom, carnival dance, and helping with the Laisure Baton twirling Contest. The juniors were very enthusiastic and seemed to enjoy supporting their class.

# SOPHOMORES

The Sophomore class this year was a fairly active and enthusiastic class. The class of '84 was the most spirited, and a great bunch of Billie supporters.

This class had a great homecoming float as they portrayed the "Flower Children" of the Sixties. They were in charge of the annual burning of the P.H., which was a flaming success.

The Sophomores have contributed a lot of spirit and loyalty toward Pleasant Hill High School. The officers and class members have done much to help improve our school.

Money-making activities included donut sales and working at concessions stands during U of O athletic events. The District Leadership Conference at Oregon State Univ. had twenty-four members attend. Thirteen members qualified for the State Leadership Conference in Portland; the largest group ever taken to a state competition.

They included: Wendy Trivett and Diana Payne, poster; Clark Chambers and Scott Ridenour, Accounting I, Jennifer Hacker, Accounting II, Becki Black and Sheri Harris, Bus. Math; Jill Parker and Patty Faught, Office Procedures; Teresa Hoskins, Job Interview; James Hacker and Amy Molony, Clerk-Typing I; and Janine Stritt, Clerk-Typing II. Clark Chambers and Jennifer Hacker were fifth in Accounting I and II. Members wish to thank their advisors—Ms. Larson and Mr. Kronmiller for all their help.

# COMPUTER CLUB

The Computer Club, advised by Richard Adams, aided those students who often utilized the Apple II computers. The club bought blank discs and resold them to students, and also bought game discs and charged students to use them. With the profits from these activities, the clubs purchased equipment like hand controls for the computers.

## HI-Q

The Hi-Q Club was fairly successful, winding up third in the league with a record of 5-4. Questions are asked dealing with all subjects from art to zoology, with as much of a chance to answer correctly as often as the other teams. High point of the season was defeating top-ranked Cottage Grove. Co-caps were Mark Hladky and Jim Henderson. Advice and terrible puns were provided to the club by advisor Richard Adams.

## THE NATIONAL

NHS had a good group of people. Though the year started slow, the group accomplished much. In November the Student Directory was started and, after some difficulties, was finally finished in late March.

The annual March of Dimes drive was one successful accomplishment of the National Honor Society. Members were assigned to different territories to collect donations. NHS was a co-host for the Student Recognition Night in which they, with help from Student Council and the school board, recognized outstanding students by treating them to a pizza feed and an activity. They year it was a play.

## F. H. A.

The Future Homemakers of America club for 1982 made some changes. The club is more active this year than it has been the last few years and membership has increased. Some activities that FHA participated in during the year were: having a teddy bear raffle at homecoming, serving dessert at open house, had a Christmas party, baked cookies for the Kinderschool on Halloween, raffled a stuffed dog at the first league boys game, had a canned food drive, visited some senior citizens and helped earn money for the Easter Seals school. As you can tell the club was very active.

## DRAMA

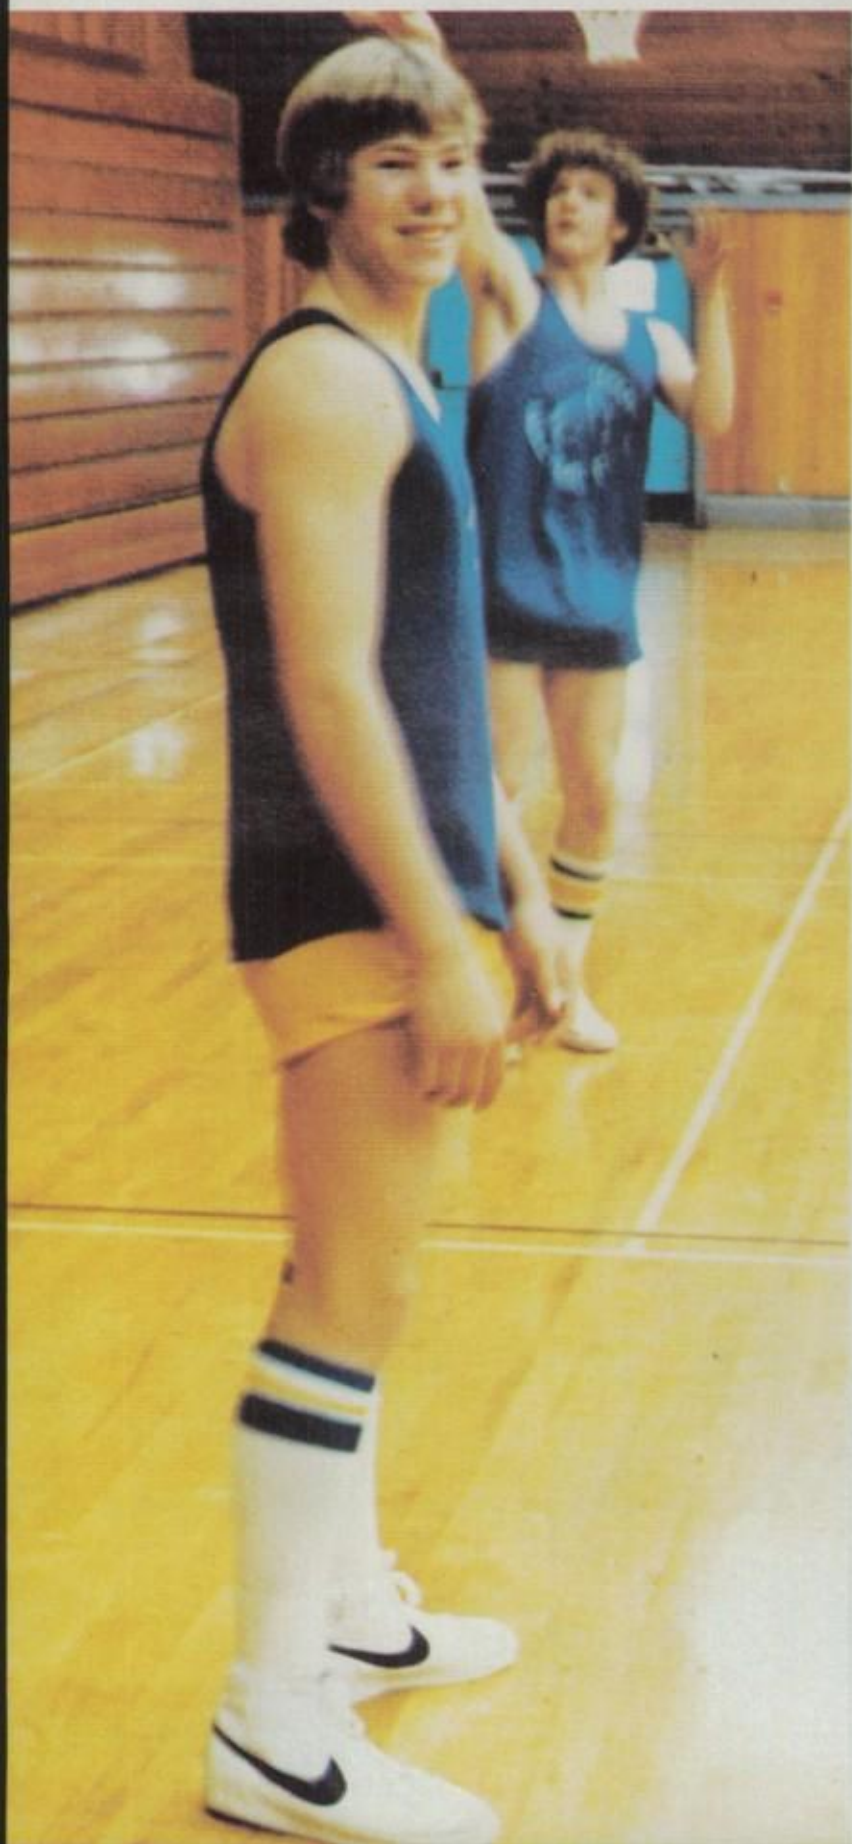

The Drama Club was advised by Mr. David Colton. This club was active in the school and produced some very good plays during the year. In addition to the plays they took a trip to Ashland and attended some local plays in Eugene. The club had quite a few members and their dedication to doing their very best was shown throughout the year.

The Billie Football Team did not have a winning season, but the whole team worked very hard and always gave one-hundred percent. The Billies had very little success this year in getting into the end zone. This year's Varsity Team was very young and had little experience. Their record showed this with a 1-9 season. The one good thing about having a young team on the Varsity squad is that they will be more experienced in the years to come.

Although not everyone can be chosen as Most Valuable Team Member, like Bob Reed was, everyone on the team that crossed the finish line was a champion.

The 1981-82 Varsity Basketball team started out slow this year but came on strong in the end. The Billies always seemed to get the bad breaks, losing many games by just one or two points. The team finally got things together and placed 3rd in league, but lost their chance to go to state in the district tournament.

The 1981-82 Varsity girls basketball team was, as Coach Bill Neal admits, the finest he has ever coached. "This is the best team, the best record I've ever had." remarked Neal of the team that earned a league record of 7-5, 13-7 overall. Senior Kim McClusky, the team's leading scorer, was unanimously chosen for the Sky-Em All League first team, while Debbie King was chosen to the second team, and Michelle Raffington was the first selection for the Honorable Mention.

Not only were these gifted athletes honored with awards, but Coach Neal was also bestowed with honors. Neal was selected as Coach of the League for the Sky-Em girls basketball league, an honor that is usually given to the coach of the team that wins the league championship.

# POT OF GOLD

Jerrald Culver

We have all shared some wonderful times  
Here at Pleasant Hill  
Some were good and some were bad  
And some were just a thrill.

Our pride has shown for blue and gold  
In support of all our teams  
They knew that we were always there  
From all our shouts and screams.

Years from now we'll all look back  
At dreams and memories  
Some were small as snowflakes  
Some were big as trees.

We'll reminisce about our school  
The fun times that we shared  
Of times of joy and happiness  
And times that we were scared.

The juniors, sophomores, freshmen, too  
All have more years to go  
They have more time for memories  
And dreams in which to grow.

But for the class of eighty-two  
The rainbow's end draws near  
We'll cherish all the thoughts we've had  
Throughout our high school years.

Student Council discusses important issues in the conference room.
